Village Tax Levy Set At \$43,500 by Board; To Get \$15,000, Maybe

Bids Opened on Tires, Snow Plow, and Starter For No. 1 Water Pump

The Village Board of Trustees voted a tax levy of \$43,500, but if it gets more than \$15,000 it will be surprised.

The general corporation levy alone was \$29,800. Added to this are \$5,200 for protection, \$5,500 for streets and bridges, \$1,500 for bonds and interest, and \$1,500 for social security.

Where will the rest of the money come from? The sales tax helps a lot and for streets and bridges—there are none to speak of—the motor fuel tax will be of help, and then there are the license fees, parking fees, fines, etcetera.

The Board transferred \$5,000 from the general fund to the road and bridge fund which was in the red this month and authorized the spending of \$6,000 to blade-mix Parkway, Hillside, Naber, Osmond and Chestnut streets, and prime and seal Dwight, Bishop and parts of North and Harden streets.

Award Contracts on Bids
Through its low bid the Antioch Firestone Service of 839 N. Main st. was awarded the contract for six heavy duty tires for the fire truck at a cost of \$474. Other bids were Hunter's Garage, \$720.58; and Elmer's Service, \$556.95.

There were three bids on the snow plow and these were referred to Trustee John Blackman's committee on streets for study and report. The bids were entered by Olson Implement Co., Antioch; Frandsen Bros., Grayslake; and R. H. Lyons Equipment Co., Chicago. The Frandsen plow was regarded as too light for the required usage.

Carey Electric Low Bidder
The Carey Electric Co. was awarded the contract for supplying a magneto controlled electric starter for the Village's No. 1 pump on that firm's low bid of \$115. Keisler Electric Co. bid \$145.

A legal description of the new street in Sequoit Acres was ordered so that it could be dedicated. It connects Ida Ave. with Rte. 173.

2 New Men Begin Training With Antioch Fire Dept.

Two new members of the Antioch fire department have been approved by the village board and are undergoing fire training in their regular year of probation.

They are George Boyd and Alan Masopust. New firemen must meet a number of state requirements including a physical examination before they can be appointed to volunteer departments.

Lake Villa Seeks New Ambulance

The Lake Villa Rescue squad will conduct a special drive next Wednesday to raise \$5,000 to purchase a new ambulance.

The campaign will be carried from door to door and residents are asked to leave their door lights on that evening to indicate their willingness to donate.

Anyone who is not contacted may send in his donation to the Lake Villa Rescue Squad or to Drive Chairman Ray Colucio, Lake Villa.

The squad has been operating with a truck-ambulance dispensed with by the Antioch squad. There have been times when it didn't operate and this is too great a risk when a life is involved.

It's Official Now—Summer Was Cool; 3 Aug. Days Over 90

Your neighbors who always seem to know have been telling you, now it's official—this has been an unusually cool summer.

According to records kept by U. S. Cooperative Observer Roy Kufalk, weather in normally hot and dry August did not develop as usual. August had only three days with above 90 degrees thermometer readings, the highest a 92 degree on Aug. 3 and 30. And to prove it was cool even in August, Kufalk reports a low of 48 degrees on August 25.

Rainfall for the month was a little above normal with 4.96 inches recorded. However almost half the rainfall came in one 24 hour period. That was Aug. 10-11 when 2.26 inches fell.

Permit Issued for New \$32,500 Medical Center For Dr. J. W. Kopriva

A building permit for a \$32,500 medical clinic for Dr. J. W. Kopriva was issued last week by Walter Scott, building inspector.

The single story brick and red-wood structure will be built on the 700 block of Main St. in Antioch. It will be L-shaped, fronting 45 feet on Main and extending 89 feet into the lot. The court will include a 300-foot parking lot.

Inside the building will be a large reception room and business office for the doctor as well as six examining rooms and a lab and dark room.

Appellate Court Finds For Ferris in Zoning "Violation" Decision

The Illinois Appellate Court in Ottawa refused the Lake County petition for a rehearing on the case of Paul R. Ferris, Lake Marie, whose appeal to that court saw a reversal of County Judge Minard Hulse's decision fining Ferris \$200 for violating a zoning law.

State's Atty. Thomas Moran is expected to take the case to the supreme court.

The appellate court ruling said that "to be a valid exercise of power, a zoning restriction must have some rational connection with the promotion of public health, safety, moral or welfare." It found no evidence of this.

The state said Ferris violated the zoning ordinance because he used the property for business purposes. Atty. Lewis D. Clarke said that Ferris was within his rights because the property had been in trailer camp operation before 1939 when the zoning ordinance was enacted.

New Resort Apartment At Deep Lake to Have Forty-eight Units

The first of three 16-unit resort apartment buildings is under construction on the Rte. 21 side of Deep Lake just north of Grand avenue.

Under the name of Villa Holiday Gardens, Mrs. Beth Scofield of Lake Villa, will not only provide 48 separate three-room apartments but will construct a beach on Deep Lake 750 feet in length, and her future plans call for a swimming pool, a restaurant, a lodge and a motel which would also be a part of the gardens.

On five acres of land which she purchased from Edward Kidder, Mrs. Scofield is erecting the three sections in a semi-circular position with the lake as the focal point. Each unit will be air conditioned and will have its own ceramic terrace, tile bath and kitchen. Whether or not the apartments will be completely furnished hasn't been decided.

The lakeside apartments will have sliding glass walls, giving access to the individual terraces.

The general contractor is John Zakel of Burlington, Wis., who recently completed the Island View Resort, Browns Lake. The estimated cost is \$500,000, and completion of the first unit will be accomplished in January.

Village Seeks Bids For Sludge Removal From Sewage Plant

Taking the suggestion of Supt. Edgar Simonsen, the Village Board is advertising for contracts to remove sludge from the village sewage disposal plant.

Village Engineer David Miller told the Board Tuesday night that it would either have to obtain additional land to build more sludge beds, or put a cover over the present ones to facilitate drying.

Then Supt. Simonsen suggested the hauling procedure and said that farmers would be glad to get the sludge for its fine fertilizing qualities.

Bids are to be filed with Clerk Clarence Shults and will be opened at a special meeting Friday, Sept. 12.

Miss Margaret McDowell spent the holidays at Lake Geneva.

Seek Zoning Permit For Children's Camp On Petite Park Lots

A petition for the variation of the Lake County Zoning ordinance as applied to B-1 business district to permit operation of a recreational camp for children of school age at Petite Park has been filed with the Zoning Board of Appeals by an organization known as Camp St. Joseph.

The petition applies to three lots of the subdivision southwest of Antioch, and comes under the requirements that a special permit be obtained for a camp under B-1 business zoning.

The hearing has been set by the Zoning Board for 1:30 p. m. Thursday, September 25 in the Village Hall.

Zoning for Fiberglass Co.

The Lake County Board of Supervisors will receive the County Zoning Board's recommendation Tuesday on the request of Chester Miller seeking I-1 (industrial) zoning for a site on the north side of State Line Road, Antioch, east of Rte. 83.

Miller, at a hearing last Friday said the application was made in behalf of the Sea Otter Fiberglass Co., Inc., which would use the location for establishment of a plant to make glass bolts. There was no objection from several spectators.

Debate on Education Advantage to Teachers Thistlethwaite Says

Dr. Robert L. Thistlethwaite, associate dean of instruction, Northern Illinois University, presented a very stimulating and challenging topic at the Antioch High School one day teacher workshop Tuesday. The title of his topic was "Your Business to Education."

Thistlethwaite commented on the great debate taking place in American society regarding what the objectives and purposes should be in public education. This debate, he stated, can be turned to advantages by the teachers if they strive to accomplish the following things through a good publicity and public relations program:

1. Educate yourself as a teacher
2. Educate the pupils
3. Educate the administrator about your teaching
4. Educate the parents about your teaching
5. Educate the community about your teaching.

Other aspects of the institute workshop were comments by Principal Albert Dittman to the entire teaching staff and a discussion meeting with new staff members regarding the general operation of the school. Assistant Principal Warren Polley explained the daily schedule.

Miss Jane Wondergem of Chicago is the guest of Mrs. David N. Deering.

Director Carlson Would Move in if Village Code Under County Standard

Trustees Charge Act Would Violate Home Rule; Violently Oppose

Charges of violation of home rule were among the protests of the Antioch village trustees Tuesday night when they were given an ultimatum from Harry J. Carlson, county building and deputy zoning officer that unless the village building code is up to the standard of the county code the county would move in.

Director Carlson gave the village 10 days in which to provide him a copy of the village building code with the warning that if its provisions do not come up to the county standard he will take over.

Atty. E. C. Jacobs said he will comply with the request for a copy of the code, and would confer with Thomas A. Matthews, attorney for the Illinois Municipal League on the possibility of League action to prevent Carlson putting his plan into effect.

Chapter 34, Section 25, Art. 15 provides for control of building in the county outside of incorporated areas.

Paragraph 15A added by the legislature at its last session said that in any county with a population not in excess of 500,000, located in the Northeastern Illinois Metropolitan area, the County can control building construction, but the Villages are not prevented from establishing higher standards than the County has.

Carlson is of the opinion that since the large city—evidently providing for Chicago—was exempted from county interference, the implication is that those of lesser population are not.

Atty. Jacobs doubts that the legislature meant to destroy home rule, a matter which it has jealously safeguarded.

"Can you imagine Springfield or Peoria permitting the county interfering with their building control?" he commented.

Mayor Murrill Cunningham said that Township Supervisor Lloyd Murrie knew of no order from the County Board of Supervisors authorizing Director Carlson to take this action.

The same letter was sent to Fox Lake, Atty. Jacobs said, and he was sure that other villages received it also.

Atty. Jacobs told members of the Board that the Antioch code does not contain regulations of plumbing and wiring, which are contained in other ordinances.

Director Carlson would take over Antioch on the basis of the hazard to health and safety if the local code is not satisfactory. Antioch at present has a public sewer system, but Oakwood Knolls, which it annexed, has private septic systems. There has been much complaint regarding the inadequacy of this.

Atty. Matthews, who is village attorney for Lake Zurich, wrote to the board there that the attorney general had ruled that the county can officiate within a village along with the village so far as the building code is concerned, and that neither is denied the right.

Antioch Township schools gathered momentum today as registration ended and classes operated on full periods.

With rare exception there were increases in enrollments everywhere. The exception was at Grass Lake school where the enrollment of 126 yesterday was five less than last year.

The Antioch Grade School system had an increase of 74 pupils, and the enrollment today stood at 704. Yesterday there were 233 in the new Oakland building and 465 in the Antioch building. Six more are to enroll today. Classes were in full swing at both buildings Wednesday.

The Antioch Township High School had an enrollment of 675 yesterday. By classes there were 213 freshmen, 183 sophomores, 167 juniors, and 112 seniors. An increase of 50 over last year is expected before registration is completed. The enrollment last year was 653.

Other township registrations were Emmons 76, last year 58; Channel Lake 140, last year 123, and at Hickory Corners where Mrs. Daisy Ellsworth is the new teacher there are 33, a few more than last year. Mrs. Ellsworth taught 33 years in Oklahoma before coming to this community to teach.

St. Peter's school has an enrollment of 380, twenty more than in 1957.

A Get Acquainted party was held for faculty women and faculty wives of Antioch Township High School on Sunday afternoon in the school cafeteria. There were 30 present.

Antioch High Varsity Football Squad Shapes For Opener With Wilmet High September 12

Varsity Coach Robert Walther of Antioch Township High School only has three returning football lettermen, but don't feel too sorry for him.

He has the makings of a good team this year if the players respond as they should.

Using the Wing-T attack, Walther is working with a squad of 24 men after having weeded out other less likely prospects last spring. He has five seniors, three sophomores and the rest are juniors.

Lettermen back in the lineup are Dick Gudgeon, a junior, playing fullback and Chris Davis, a senior, at tackle or guard.

Dick Wolf, a junior, is pressing Russ Cote, a senior, for the quarterback post, and Bob Wozniak, a 215-pound guard and fullback who after being ineligible last year, came back and made almost straight A's in his grades, will be on hand in a big way this year.

Vincent Nauseda, hurt before the

season, is in good shape and as spry as a leopard, and may start at half back. Walton Rosequist, injured in practice may be replaced by Kenneth Stepien at guard.

Coach Walther is easing up this week on Jim Portalski, last year's half back, now a senior, who with Chip Eberman, another half back, suffered slightly sprained ankles. Bill Dressel, an end who was last year's star miler, has a sprained knee, but will see action in the first game.

"The one end position and the center position are wide open at this moment," said Walther yesterday.

The squad is scrimmaging daily, and will practice under the lights at 7:30 p. m. Saturday. The public may watch the practice.

The Sequoits will open their season at 8:30 p. m. Friday, Sept. 12 at Wilmet. By next week Coach Walther will have decided on his lineup and determined the plays to be used.

Baptist Children Give Lake Villa Flag at Service at Lehman Park

Labor Day for the children at Central Baptist Children's Home, Lake Villa, took on added significance this year through their presentation of a flag to the village of Lake Villa in a special ceremony at Lehman park following a patriotic parade.

The large crowd was markedly affected as Barbara Zlotkowska, a resident at the home and a freshman in Antioch Township High School told of the meaning of

the American flag to her, a Polish refugee, who received word that she has been issued her American citizenship papers.

Born in Poland in 1942 amidst storm and strife of warfare, Barbara, 16, knew little but the horrors of war. Her father was slain and she and her mother beaten and dragged off to a D.P. camp where there was so little food she slipped food from garbage cans to survive.

Loves American Flag

"Gee, how I love that beautiful flag!" she exclaimed. "How wonderful it is to live in the United States, because here you are free, have plenty to eat, clothes to wear, and you can attend the church of your faith, and the people treat you as a human being."

"Today I am very happy for I have been told that next week I am to receive my citizenship papers," she said.

The children were represented in the flag presentation by Virginia Palmer, whose suggestion that the village needed a new flag and that the children give it, got response from the home supervisors.

She gave the flag to Clerk Neil Reidel, acting in the place of Mayor Erwin Barnstable who was not present. He in turn gave it to the V.F.W. Color Guard for formal raising on the park staff.

Start With Parade to Park

The services started with the parade from the Village Hall to the park. Participating were the V.F.W.

color guard and members, a girls' drill team, local members of Shea's Strutters, a newly-formed drum and bugle corps, V.F.W. Ladies' Auxiliary Post 4308, the American Legion and its Auxiliary, a large group of children from the Baptist home, the Lions Club, firemen, policemen, rescue squad and the equipment for each.

Tony Sciacero, master of ceremonies, opened the dedication by having the V.F.W. post colors, and then a fanfare by the newly formed drum and bugle corps. The Rev. Gerald Robinson gave the invocation.

Dignitaries given special seating were J. Nelson, commander of the American Legion; Doris Blumenschein, president of the V.F.W. Auxiliary; Edward Tiede, township supervisor; Raymond Colucio, president of the Lions Club; Jack Breakstone, director of the Central Baptist Children's Home; Mrs. Dee Hoekstra, counselor at the Baptist Home; Russell Nickerson of the Lake Villa Fire Department; Joseph Torri, chief of police; Donald Oilschlager, president of the Rescue squad; Neil Reidel, Clerk; and E. W. Kasting, commander of the V.F.W. Post 4308.

Announcement was made at this time of the drive to raise \$5,000 to purchase a new ambulance for the Lake Villa Rescue squad. One hundred persons from the various community organizations will take part in the canvass.

Foul Play

The following editorial is from The Herald, Park Falls, Wisconsin:

"Pressure and propaganda groups in our national government can sure make a mess of fair play. Recently the Internal Revenue Bureau ruled that the private electric power utilities could not deduct that part of their cost of advertising that was considered anti-public power.

"This week we received a letter, mailed without postage, from the Department of Agriculture, which contained a pamphlet extolling the merits of co-ops. The pamphlet was printed at the expense of the taxpayers, and mailed at the expense of the taxpayers.

"We don't consider that fair play at all. It does, however, serve to point out that there are huge interests in this country that are continually working to push this free nation over the chasm of socialism.

"It amounts to the fact that the taxpaying private business is restricted by its government from telling the public about the dangers of public power and other socialistic schemes, but the tax-free co-operative-type organization has the job done for it by the government itself."

Share the Road—Arrive Alive!

You don't have to be a mind-reader to stay safe in traffic, but it helps! In the varied pattern of

modern traffic, in which one false move can involve you in a serious accident, you stand a better chance of staying safe if you've learned to anticipate the actions of other drivers.

Traffic is a group movement, and one of the most important factors in coping with it is the ability to keep in step with the traffic flow—to share the road cooperatively with other drivers.

This is no cinch. The traffic pattern is variable, and sometimes changes abruptly. Today's driving requires versatility—you need to be alert and adaptable every minute you're behind the wheel.

In a routine drive to the grocery store you may be exposed to a variety of traffic situations. A traffic jam... a careless pedestrian... an unsafe act of another driver... these are a few of the things that may suddenly touch off a fatal traffic accident.

Whenever you take a trip of any considerable length your alertness and adaptability must be on quick call because you will probably encounter a variety of traffic patterns. Each shift in environment will necessitate a shift in driving techniques.

In cities you will be confronted with congestion and the dangers arising from cross traffic and the presence of numerous pedestrians.

On rural roads you will meet fewer of everything—pedestrians, intersections, and other cars. But because of this you'll meet many drivers traveling at high speeds. It is more difficult for drivers to judge distance accurately when driving fast than when driving more slowly. Therefore other drivers may misjudge when cutting out to pass you or when coming towards you on a curve. There is also danger of their driving in the middle of the road.

These are just a few of the conditions you face in today's traffic. Under these conditions it is your responsibility to share the road and keep in step with the traffic flow. To do so you must develop your powers of alertness and adaptability to the nth degree. As a reminder it would be a good idea to paste this slogan on your dashboard and in your mind—**"SHARE THE ROAD, ARRIVE ALIVE!"**

TAX FACTS

Describing "inflation" as a pick-pocket who stalks our streets picking the pockets of all citizens and taking most from those least able to spare, T. V. Houser, Vice Chairman of the Committee for Economic Development, aptly pictured this economic outlaw, the Taxpayers' Federation of Illinois agreed today. Houser was formerly chairman of the board, Sears, Roebuck and Co. Inflation commits many crimes upon the people. It robs the needy by decreasing the purchasing power of money. The things that a pension or small salary will buy shrink as the inflation movement grows. Savings upon which so many of our people rely for their support in old age are diminished in value. As inflation flourishes, it can easily offset any interest which the ordinary savings account or insurance policy can pay.

One way to help defeat this peril is to curb rigorously all non-essential Federal spending, particularly that made possible by deficit financing. The recent adjournment of Congress, with its Federal budget for fiscal 1959 calling for a deficit of at least \$10 billion, illustrates the necessity of driving this point home. Such a deficit, and the borrowing it necessitates, invites more of the inflation that has plagued the nation and its wage earners for the past dozen years. Statistics developed by Tax Foundation, Inc., are the proof.

The average U. S. production worker's gross weekly earnings increased from about \$50 in 1947 to just over \$82 last year, but inflation constantly dogged his steps.

For example, in 1947, his pay increased by \$6.15 over the preceding year, but with inflated costs, prices, taxes, etc., he actually lost 18c.

In 1957, the average gross weekly earnings of production workers went up by \$2.40 over the 1956 figure—but inflation's toll of this increase was \$2.74. So his increase, again, turned out to be no increase at all, but rather a 34c loss.

Since total personal consumption spending in the U. S. averages about \$5,000 a year per family, a 1 per cent rise in consumer prices can mean a loss of about \$50 for a family whose income remains unchanged within a year's time.

However, all can help get rid of this pickpocket with no sacrifice. The only thing we need to give up is the illusion that we can get more out of the economy than we put into it.

The industry-sponsored Tree Farm program means wood for man's use; food and shelter for wildlife; recreational areas; water and soil conservation.

Correspondents

Five Grass Lake Scouters and their families ended up the summer vacation with a trip to the North Shore Area Council's Camp Ma-Ka-Ja-Wan in northern Wisconsin. They were the Robert Babe family, the George Pierces, the Mike Wojnowiaks, the Carl Cogdills, the Clyde Queens, and the Earl Beeses. All are from Cub Pack 80, Grass Lake. Parents and children alike had a grand time in spite of rather chilly weather. Temperatures overnight dropped to 38 degrees, but everyone had plenty of blankets and none of the tents leaked when it rained. Participation in such activities as a twenty-mile canoe trip, swimming, handicraft, shooting and square dancing, made it an interesting weekend for all who attended. No one knows exactly how many gallons of hot coffee were consumed that weekend in the community house of the Blackfoot village, but it helped keep everyone warm.

Grass Lake Girl Scout Troop 8 also had a vacation's end camping trip. They went to the Illinois State Park, Waukegan, for four days. The girls who attended were: Pat Ferrier, Cindy Brenna, Susan Bloom, Violet and Carol Hribar, Bette McGrath, Lynn and Susan Yancey, Shirley and Emily Reichenback, Janet Dozek, Judy Wohlfeil, Carol Filiatreault, and Bonnie Reed, a senior Scout who assisted the leaders. Mrs. Belle Hribar, leader, and co-leaders Mrs. Jean Reed and Mrs. Florence Yancey organized and supervised the camp-out. The girls had a grand time swimming in the huge Lake Michigan breakers, and also went on a nature hike.

Mrs. Helen Burke, precinct committeeman, will be happy to answer any questions from those who are concerned about the necessity of their street name appearing on their voter's registration card. You may call her at 937-R. It is nothing to be unduly concerned about and the reason for it pertains to the recent dividing up of the precinct.

A welcome is extended to new neighbors in Resthaven subdivision, Mr. and Mrs. Anthony Lomma and their two children, Antoinette and Anthony, Jr. The Lommars are formerly of Franklin Park, and have a business in Chicago.

Mr. and Mrs. Willis Westgard had a surprise welcome home party for their son, Richard, who is recently home from the Service, on Sunday, August 31. Several of his close friends and their parents, totaling a group of twenty, rendezvoused at Nielsen's Corners, and arrived simultaneously at the Westgard home, to take Richard completely by surprise.

The Phillip Vermeyen family of Petite Lake really had a terrific summer. Mr. Vermeyen and his wife Mary, and their children, Fred, age 14, and Donna Lee, age 3, left May 13 for Belgium and didn't return until September 1. The only member who didn't go was their son who was attending college. The Vermeyens visited with Mary's sister and family in Merksens, Belgium. The highlight of the trip was their visit to the Brussels World Fair which Fred simply describes as "really terrific." Fred also did some traveling in Holland and Germany while his parents stayed with

his aunt. A trip we would all love to take.

Beachwood's annual association picnic on Sunday, Aug. 24 was a beautiful sunny Sunday. The day started at 11:30 with races for the wee ones and progressed to such adult contests as shoe kicking and egg throwing. After lunch the children were kept busy with free balloons, ice cream and pop while their moms and dads participated in adult games. All in all it was a most successful affair.

Read Psalm 27:1-7

One thing have I desired of the Lord, that will I seek after; that I may dwell in the house of the Lord all the days of my life. (Psalm 27:4.)

At first sight this seems a strange request, even to a devout Christian. What does this verse of Scripture mean? Does it mean that the temple is a kind of a hotel where he can live all the time? Or is it the cry of a tired man who longs for a cloistered life?

Neither! the psalmist is thinking

of the Temple of Jerusalem as the symbol of the highest things in life. He is expressing the desire that all he has learned from worship in the Temple may be retained in the ordinary affairs of living.

It is as though he had a picture in his mind of oriental hospitality, in which the sheik is the friend of the traveler, giving him refreshment after the day's journey and rest before resuming his journey. That is how he thinks of the Temple.

Our Sunday worship should be able to stand the test of Monday morning.

PRAYER: O God, our Father in heaven, teach us to worship Thee in such a way that it may be a means of strength and blessing in all we undertake. May the calm and peace of Thy house be present with us this day in whatever we may do and wherever we may go. In the Master's name. Amen.

Thought for the Day
May we take the love of our Lord out into the world.

Make Courtesy Your Code of the Road

Courteous driving will save lives. Make your code of the road "Cour-

tesy." Do not be the cause of an accident. Follow these seven simple rules and lessen your chances of being involved in a traffic accident.

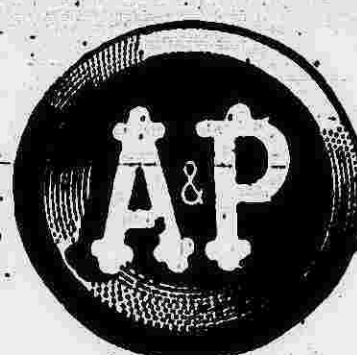

1. Share the road by driving in the proper lane.
2. Allow ample clearance when passing.
3. Yield the right of way to other drivers... pedestrians.
4. Give proper signals for turns and stops.
5. Dim your headlights when meeting or following vehicles.
6. Respect traffic laws, signs, signals and road markings.
7. Adjust your driving to road, traffic and weather conditions.

Miss Witkowski Is Bride of R. E. Vanderwall

Miss Priscilla A. Witkowski became the bride of Richard E. Vanderwall, Saturday, August 23, at the Prince of Peace Catholic church in Lake Villa. The ceremony was performed by the Rev. David J. Lynch. The bride is the daughter of Mr. and Mrs. Henry Witkowski of Lake Villa and the bridegroom is the son of Mr. and Mrs. O. Spies of Morton Grove.

Given in marriage by her father, the bride wore an embroidered organza gown with jewel trimmed neckline and long tapering sleeves. A wide embroidered duster flounce fashioned the bouffant skirt, which fell into a brush sweep. A jewel trimmed crown held her silken veil. Miss Barbara Janeczko served as maid of honor and the bridesmaids were Misses Marsha Barton, Betty Lewis and Wanda Schlunz.

Russell Vanderwall was best man and Roger Otto, Kenneth Lewinski and Alvin Nelson were ushers.

A reception was held at the Wonderland Ballroom, Chicago. The newlyweds will make their home in Lake Villa.

ANTIOCH BUSINESS WOMAN'S CLUB TO INSTALL OFFICERS MONDAY EVENING

Mrs. Helen Patrovsky was re-elected president for a second term at a recent meeting of the Antioch Business Woman's Club and will be installed Monday evening at the Scout Home. Other officers to be installed are Mrs. Mae Atwood, vice president; treasurer, Mrs. Darlene Roblin; secretary, Mrs. Dorothy Thompson, and social chairman, Mrs. Lillian Hand. Mrs. Thomas Pechousek and Mrs. H. B. Gaston will have charge of refreshments.

BRUSH & PALETTE CLUB TO HOLD MEETING MON.

The first official meeting of the season for the Brush and Palette Club of Antioch will be held at 7:30 Monday, Sept. 8, in the basement of the Methodist church. All members are urged to attend this meeting, and all persons interested in becoming members of the club are invited to attend. Plans will be made for the club's third annual fall art show, which will be held September 19 and 20 at the Ford Garage show rooms.

Leonard Bloniarz New Pres. of Felter's Ass'n.

Leonard Bloniarz was chosen president of the Felter's Association at the annual meeting held Sunday at the subdivision's club house. Other officers elected were: vice-president, John J. Smith; secretary, Arthur Doty, and treasurer, William E. Schmidt. Aldermen chosen were: Ward 1—Emil Kapischke; Ward 2, Michael Novak; Ward 3, Tom Smith; Ward 4, Chester Rogowski, and Ward 5, Frank Palan.

Mrs. Anderson Celebrates Eightieth Birthday, Sunday

Mr. and Mrs. H. L. Lasco held open house at their home Sunday, in honor of Mrs. Lasco's mother, Mrs. Edna Anderson, who celebrated her 80th birthday anniversary. More than 70 friends and relatives attended. A luncheon was served by the host and hostess from 2 to 5 p.m. Guests were from Racine, Rockford and Antioch.

ICE CREAM SOCIAL

Members of the Lakeland Baptist church will hold an ice cream social at the church Sunday from 2 to 7 p.m. All friends and neighbors are invited to attend.

PARENTS OF SON

Mr. and Mrs. William Hamblin are the parents of a son, "Wayne William," born September 2 at Columbus hospital, Chicago. Mrs. Hamblin is the former Miss Barbara Sorenson, daughter of Mr. and Mrs. Edward Sorenson, Parkway Avenue, Antioch.

Guests at the Edward Sorenson home for the weekend holiday were: Mrs. Sorenson's mother, Mrs. Samuel Allport and her aunts, Mrs. H. McGrony and Mrs. M. Johnson, and Mr. and Mrs. William Hamblin, all of Chicago.

EVENING W.S.C.S. TO HOLD MEETING SEPT. 12

The evening Circle of the Methodist church has changed its meeting night this month from Thursday to Friday. The Circle will meet at the Methodist church at 8 p.m. Friday, Sept. 12. The Rev. Wallace Anderson will begin a study course on the "Christian Family and Home."

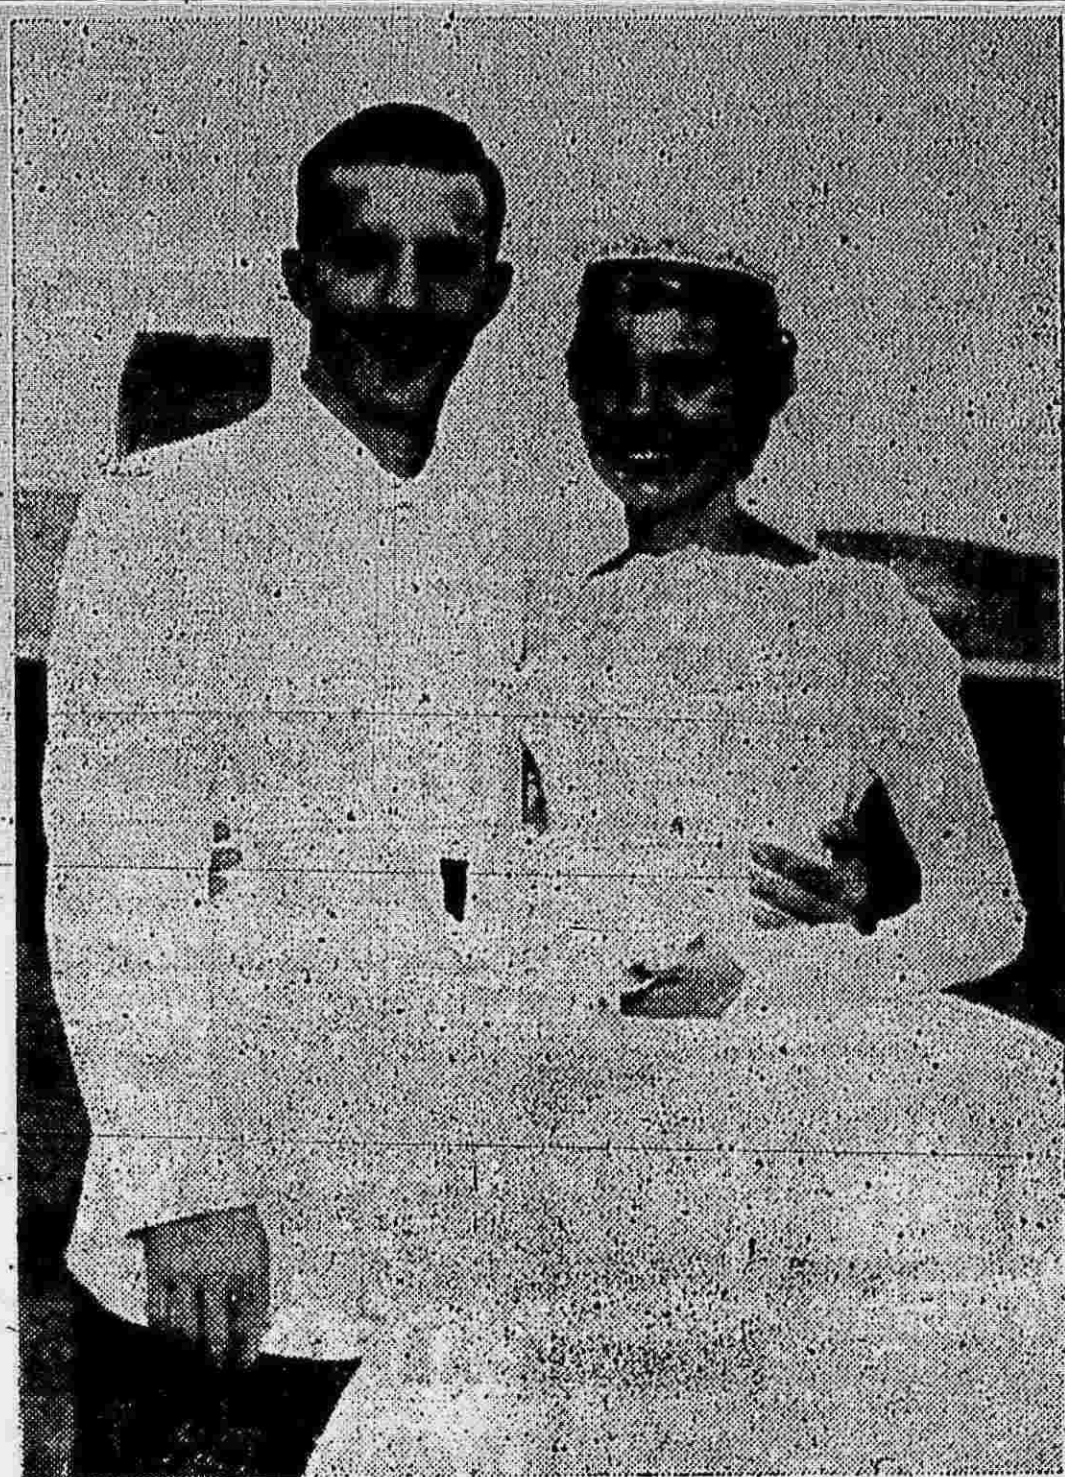

Mrs. Robert Duha and committee will serve as hostesses.

PARENTS OF SON

Mr. and Mrs. Bernard Gutowski, Jr., are the parents of a son, "Thomas Alan," born August 25 at Victory Memorial hospital. The little boy weighed 7 lbs. and 4 oz. The Gutowskis have another son, Mike, 2½ years old. Mrs. Gutowski was formerly Miss Shirley Ross. Lee Ross is the proud grandfather.

Mr. and Mrs. Ralph Lasco and son of Painesville, Ohio, are spending two weeks visiting Ralph's parents, Mr. and Mrs. H. L. Lasco.

Diane Mantis Appointed Rainbow Grand Recorder, Betsy Frazier Rewarded

Diane Mantis, worthy advisor of the Antioch Order of Rainbow for Girls assembly, was appointed grand recorder at the Grand Assembly of the order held last week at the Conrad Hilton hotel in Chicago. She will serve with the newly-elected Grand Worthy Advisor Janet Bickel and her staff of officers for the year 1958-59.

Betsy Frazier, a past worthy advisor for the Antioch assembly has been awarded a scholarship to study nursing at the Illinois Masonic hospital.

The Antioch assembly will meet Monday evening after which there will be a short meeting of the advisory board members.

Lions to Hear Coaches; Take Part in Golf Tournament Wednesday

The Antioch Lions Club will dine at 7:15 p.m. Monday at the Pasadena Gardens north of the village on Rte. 83, and afterward will hear talks by coaches from Antioch Township High School.

The local members will participate next Wednesday in the Lions Dist. 1-F golf tournament at the George Diamond golf course. They will have dinner at the steak house that evening. The tournament calls for prizes.

Wives of the members are invited to attend.

District 1-F includes most of the Lions Clubs in Lake County and some in Northern Cook County.

Dist. 1-F Lion Governor Chairman at Meeting

At a meeting of Lions International Council of Governors for the State of Illinois, held at the Morrison Hotel in Chicago, Robert L. Graham, Skokie, Ill., Governor for District 1F, in which area the Antioch club is located, was selected Chairman.

He appointed Governor George White, District 1E of Tolono, Ill., and Charles Davis, District 1C of Pinckneyville, Ill., as the Executive Committee.

This group is empowered to substitute for the Lions International State Council when it is not in session. This is the first time in Lion International history that a District Governor from this area has been selected for this post.

Lion Governor Graham was also appointed as Chairman of the 1959 Lions International Convention for the State of Illinois to be held June 5 through 7, 1959 at French Lick, Indiana.

Mrs. Julia Tschabold and sons, Donald and Delose of Milwaukee, formerly of Fox Lake, returned home recently after spending a month in Europe. They visited Brussels, where they attended the World's Fair, and toured Switzerland, Norway, Denmark and Paris. Mrs. Tschabold called on friends in Antioch today (Thursday).

Mrs. E. Gillette of Ft. Lauderdale, Fla., and Mrs. J. Pellegrini of Chicago spent the holiday weekend with their brother, Walter Roberts and family of Lagoona Subdivision.

Antioch Motorist Wins In Passenger Car Race At Waukegan Speedway

Erik Johnson of Highland Park won the main 25-lap feature event at the Waukegan Speedway Sunday night.

Starting in the second row on the outside Johnson leaped to a lead on the first lap and never relinquished it, averaging 49.43 miles an hour. He was just a car length ahead of Milwaukee's Ken Tlougen at the finish.

A five-car pileup on the eighth lap slowed the field considerably. Bob Ratajczyk of Milwaukee won the semi-feature 15-lap event.

Spectator racing saw private passenger automobiles take to the track with Ed Pensalek of Antioch, driving a Ford, come home a winner after starting nearly at the end of the large field of automobiles.

The chilly evening brought another large crowd of 1,600 persons and drivers were paid another purse of nearly \$750.

Next week a special 50 lap championship feature race will be held. With a Northern Wisconsin track now closed for the season, many new drivers are expected to be down in Waukegan.

State Highway Workers Get Pay Increases

The Illinois Department of Public Works and Buildings has announced wage increases for certain types of labor.

E. A. Rosenstone, the director, announced that the wage for dredge operators next year will be increased from \$3.50 to \$3.65 an hour; oil operators from \$2.65 to \$2.80; dozer operators from \$3.20 to \$3.35; truck drivers, 6 yd. and under, \$2.70 to \$2.80; and day laborers to May, 1959, \$2.77½ an increase of 7½¢ an hour.

Drivers Asked To Use Care As School Starts

Gov. Stratton has joined with J. J. Cavanagh, Motor Club president, in pointing out the added responsibilities of all drivers as approximately two million Illinois children prepare to start a new school year, Sept. 2.

In proclaiming "School's Open Day," the governor urged all Illinois mayors to issue similar proclamations. He asked motorists to give greater consideration to school children because "many of them will be making their first venture in school life, and will be crossing streets several times daily."

As part of its "School's Open" campaign, traffic safety posters have been mailed by the Motor Club to school and municipal offices in the club's territory in Illinois.

Cavanagh warned that the increasing number of school-age children means "drivers will have to be more considerate and more cautious than ever before."

The club president praised the

more than 45,000 boys and girls soon to form patrol units in 2,200 Illinois public and parochial schools. The Motor Club pioneered the school safety patrol system in 1922. "Cooperation among parents, children, school officials, and motorists is essential to make the 1958-59 school year a safe one," Cavanagh said.

U. of I. Food Report

Chicago Retail Food Markets Weekly Summary, Sept. 1-6

CHICAGO—The food industry shifts into fall cycles and the look ahead indicates high crop production, fully 7 per cent above last year, with prices settling to levels of a year ago. Predictions are there will be more total food produced on less land than at any time since 1917.

The immediate market condition this week is rated as typical for a post-holiday season dominated by after-effects of a short work week, with a tendency to firm market conditions and prices.

The weekly survey by the University of Illinois consumer service shows the following situations at retail outlets for the week ending September 6:

Beef—No change pricewise, roasts the consensus values because of slack warm-weather demand. Steak price concessions will be promotion-directed. Cattle receipts good at live markets, but wholesale costs still not as low as a year ago. Little difference in prices between grades, most market weakening has been for better finished cattle in the past few weeks.

Pork—Higher prices on cuts from fresh loins, sharply lower for processed lines. Spare ribs are steady. New crop hams and bacon rate the value nod. The live market is dominated by record August receipts (continued on page 5)

Illinois Public Hunting Permit Office Was Opened September 1st

The Illinois Department of Conservation's public hunting permit office was opened on September 1. It was announced last week by Director Glen D. Palmer. He also advised hunters of a number of major changes in the hunting program for 1958.

High on the list of changes will be elimination of rest days at duck hunting areas, where shooting hours have been reduced to ease the gunning pressure. Pheasant areas remain unchanged, but regulations for goose hunting areas have been changed to permit two Canada honkers instead of one.

The Permit Office, Room 108, State Office Building, Springfield, Ill., will be open on Sept. 1, to accept applications for hunting permits throughout September.

In order to save time, the hunter should send: his full name and address, along with the number of his hunting license; the name and address of his partner and the latter's hunting license number; and first and second choices of places and dates to hunt. The request should specify the kind of hunting—waterfowl, pheasants or geese. A hunter may apply for all three types.

If complete information is lacking in original requests, the Permit Office will send out application forms to be returned.

Waterfowl permits will be mailed first, early in October. Pheasant permits will not be mailed until Nov. 1. Applicants are requested not to bother the Permit Office with mail asking why permits have not been received.

Holbek Will Serve On Red Cross Fund Raising Committee

Officers and board members of the Lake County Chapter of the American Red Cross will be notified this week that they have been assigned positions on various working committees of the Chapter in addition to their duties at the executive level.

The new assignments will enable officials to acquaint themselves more thoroughly with activities at the operational level, according to Arsene J. Denoyer, Chapter chairman.

Most of the more than 50 Lake Counties affected by the program had previously volunteered for their new jobs.

Among those shouldering added responsibilities is Herman Holbek, 970 Main st., Antioch, Ill., who will serve on the Home Service and Fund Raising committees.

U. of I. Food Report

(continued from page 4)

that should force prices down further, except that current eastern demand and promotions hold fresh lines firm.

Lamb—No change at live, wholesale or retail levels.

Veal—A slight softening of wholesale prices is noted but supplies continue relatively short.

Poultry—Fryers are generally lower, to take the consumer value spot in this category. Turkey prices are expected to drop sooner or later on big production factors.

Dairy—Egg production falls behind demand for larger sizes, prices firm momentarily. The real market currently is measured by smaller sizes, where consumer value rests at the moment. Longer range, the market anticipates total increased production and lower prices. Butter quotes higher.

Fruits—Wider selection dominates the market, with slightly higher price tones. Many soft fruits peak in September. Some, such as prunes and plums, reflect last winter's freeze, these two being 44 per cent below average volume and 25 per cent below last year. Bargains will be fewer. Bananas are pegged as a current value buy. Fall melons, cantaloupe, honeydews, Crenshaw, Persians and Casabas, along with apples, cranberries, grapes, figs, pears, peaches, prunes and plums are on the supply calendar this month.

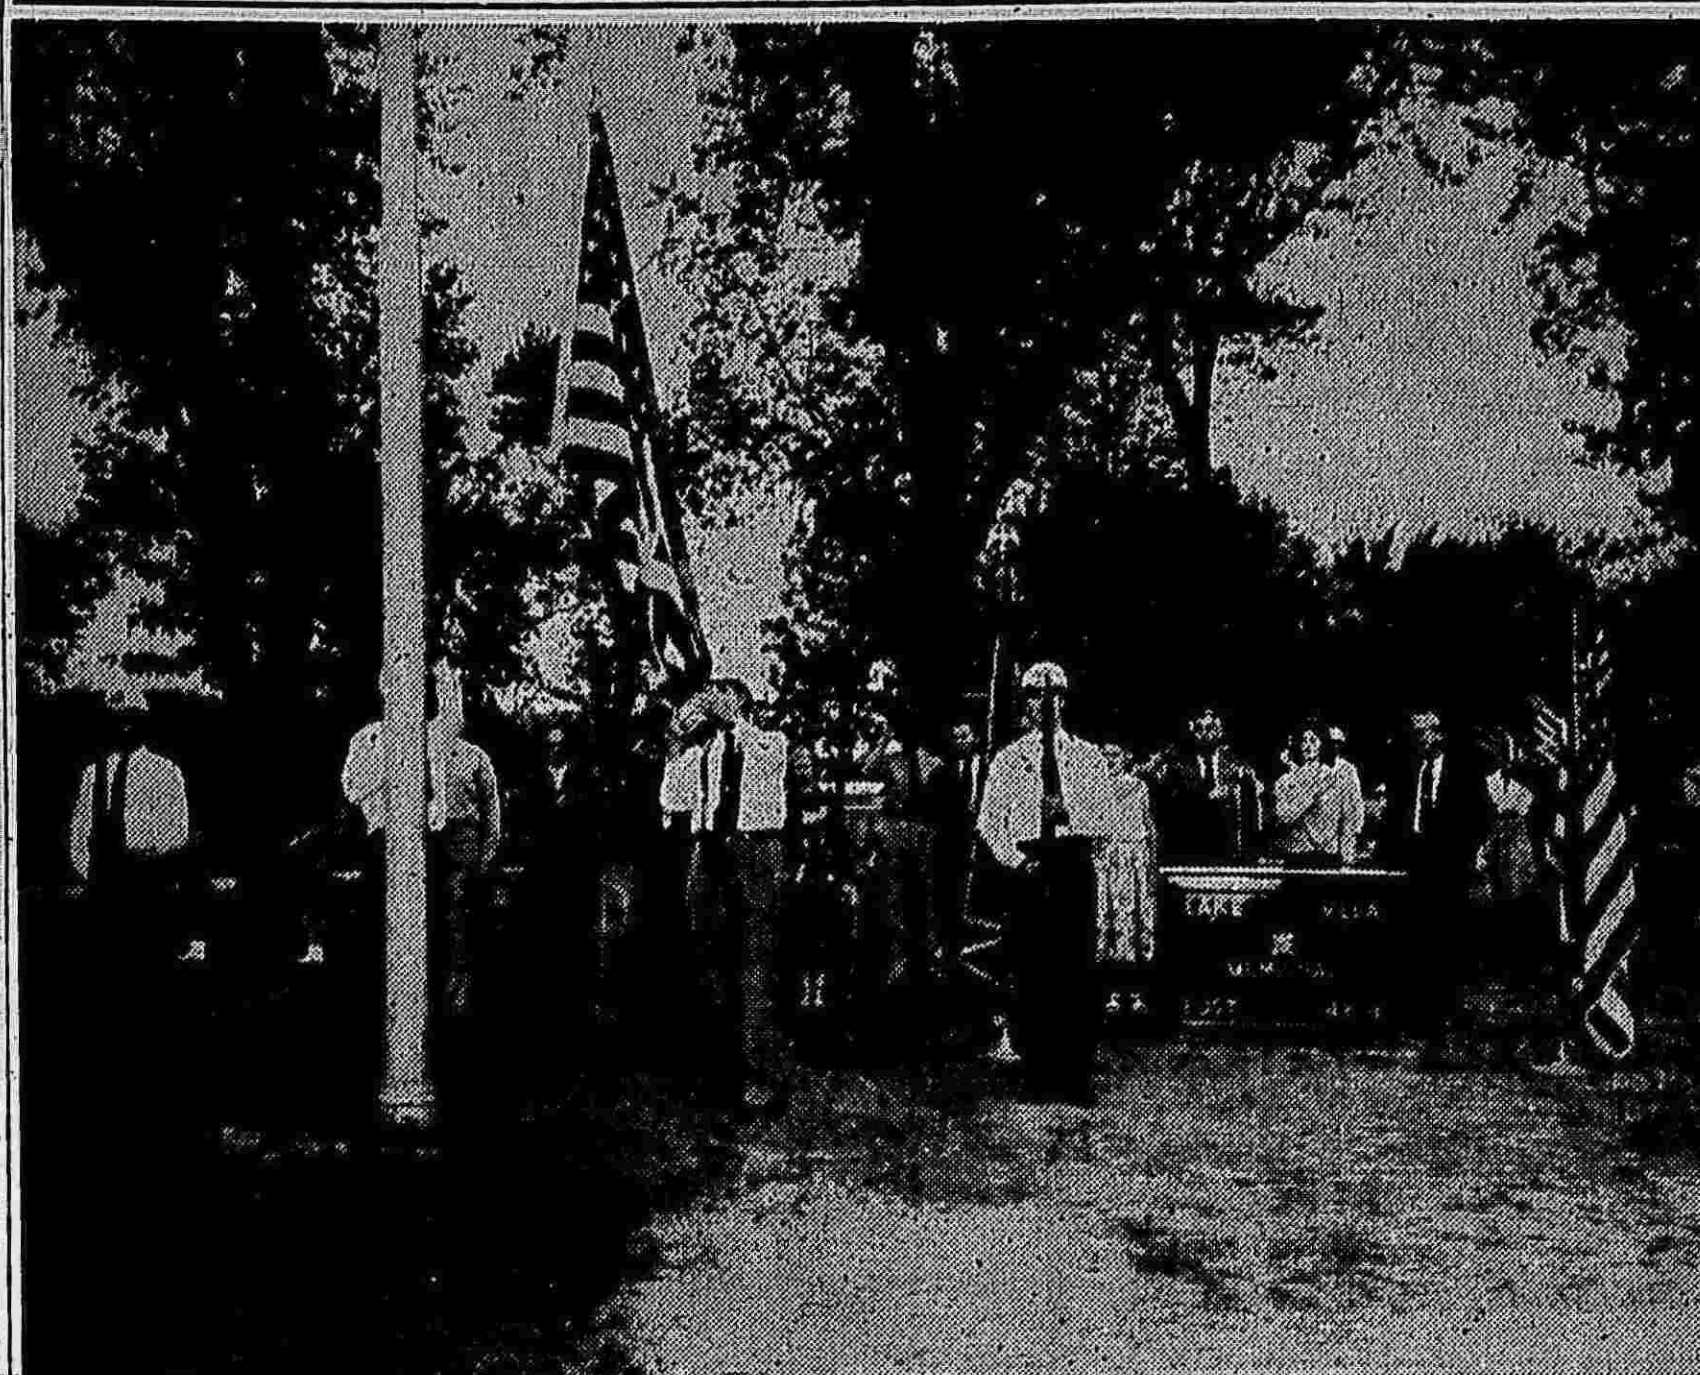

Vegetables—Heavy nearby production tends to upset many established market channels. Notable in this category are peaches, celery, cabbage and sweetcorn, all heavily promoted in area stores. Potatoes, 11 per cent higher in volume than a year ago, are cheap. The September calendar includes in addition to the foregoing Brussels sprouts, cauliflower, cucumbers, eggplant, garlic, okra, peppers, tomatoes and yams.

On the price front, the following show the most significant change from last week:

Pork—Higher tags noted on fresh loin cuts, such as rib roasts 45c, loin roasts 59c, center chops 95c, fresh butts 53c. Only spare ribs quote steady at 59c. Bacon is higher, first line quoting again 79c, but could be 10c lower on promotion in some stores. Ham is down generally, shank ends 55-59c, butt ends 65-69c, center slices 98c, picnics 43-45c, and slipping price-wise, but still no bargain; and smoked butts 73-75c.

Poultry—Fryers off 4c, down to a typical 35c. Turkey 45c. Stewing hens up from 35c. Large eggs 53c and up, mediums 45c, small (pullet) 3 doz. for \$1.00.

William Dorsey, 49, Dies of Heart Attack

William Dorsey, 49, of Antioch, died Monday at his home on Edwards road, suddenly of a heart attack. He was born September 22, 1908 at Wheaton, Ill. He lived most of his life in Newport Township. He was a member of St. Patrick's church at Wadsworth and of the Lake-Cook Farm Bureau. His life's work was farming.

Surviving are his wife Anna (Shea), two sons, John and Eugene, and a daughter, Marcella, all at home, a brother, James, of Zenda, Wis.; two sisters, Mrs. Mary Nelson, Trevor, and Mrs. Kathleen Haddican, Kenosha. He was preceded in death by a sister, Anna Dooper.

Funeral services were held at St. Patrick's church at Wadsworth. Interment was in St. Patrick's cemetery.

CHARLES WERTZ HOSPITALIZED

Charles Wertz of Rte. 173 west of Antioch became quite ill last Thursday while on his way home from Lake Geneva where he and his son, Robert, had been working. On his arrival at home the Antioch Rescue Squad was called and he was taken to Victory Memorial hospital where he is under observation pending a complete diagnosis.

Funeral services for Joseph H. Pasch, 53, Trevor, Wisconsin, were held at 11 a. m. Tuesday, August 26 at Holy Name church, Wilmot, Wisconsin, with interment in Holy Name cemetery. Mr. Pasch died at the Methodist hospital, Madison, Wis., following a brief illness. He was president of Pasch & Company Meat wholesalers, 1248 George st., Chicago, and had been in the meat business for the past thirty years.

Survivors are his wife, Ann, two sons James and John, a daughter JoAnn, all of Trevor, a brother Carl, of Chicago, a sister Mrs. Ann Martini of Skokie. He was preceded in death by a son, Joseph R., September 17, 1956.

Uncle of Mrs. Petty Dies in Chicago

Mr. and Mrs. W. C. Petty of 1038 Spafford st. spent the weekend in Chicago with the family of the late Dr. Leonard J. Murphy, 76, of 6148 Clearview ave., whose death occurred Friday in Swedish Covenant hospital in that city.

The funeral services of Dr. Murphy, who is an uncle of Mrs. Petty, was held at 2 p. m. Tuesday at the chapel at 5303 North Western avenue.

Dr. Murphy until his retirement in 1956 was owner and director of an X-Ray clinic in Chicago. He was a frequent visitor at the Petty home. He was a native of Douglas county, Ill.

Surviving are the widow, Rosalie, two sons, Leonard and David of California; three daughters, and three sisters, residents of Arkansas.

Gregor Zellhofer, 64, Dies of Heart Ailment

Gregor Zellhofer, 64, Salem, Wis., died of a heart ailment at 1:30 a. m. Monday, Aug. 25 at St. Therese hospital, Waukegan. He was born April 20, 1894 at Gagenback, Australia, and came to America in 1923 settling in Huntley, Ill. He moved to Antioch in 1923 and to Salem in 1928, where he operated a butcher shop. He was married to Miss Marie Schneider, October 18, 1925 in Chicago.

Survivors are his wife, Marie, a son, Gregor F. of Salem, a daughter, Mrs. (Harry) Rose Marie Quilty of Chicago, and two grandchildren.

Funeral services were held Wednesday, Aug. 27 at the Strang Funeral home, with the Rev. Carroll Usher, pastor of the Salem Methodist church officiating. Interment was in Salem Mound cemetery.

If you want to sell—phone 43 or 44 and tell.

Emil G. Burda, 44 Of Lake Villa Dies

Emil G. Burda, 44, of Lake Villa died unexpectedly of a heart attack Saturday, August 30 at his home in Cedar Park subdivision, Lake Villa. Efforts of the Lake Villa Rescue squad to revive him were futile.

Mr. Burda was born Sept. 8, 1913 in Chicago and lived there until 2½ years ago when he moved to Lake Villa. He was a member of Local 483 United Automobile, Aircraft and Agricultural Implements Workers of America and had been employed as a machinist at Barrett Cravens Co., Northbrook, Ill.

Surviving him are the widow, Beatrice and two sons, Robert and Thomas, all of Lake Villa.

The funeral service was held at 1 p. m. Wednesday at the Strang Funeral home with the Rev. Gerald Robinson of Lake Villa Methodist church in charge. Interment was in Bohemian National Cemetery in Chicago.

James H. Davis, 64, Resident of Millburn Buried on Wednesday

James H. Davis, 64, Millburn, died at 1:10 p. m. Sunday at Victory Memorial hospital.

Mr. Davis was born April 18, 1894 in Maryville, Tenn., and came to Millburn from that city in 1947. He worked as an attendant at the State Line Gas station on Rte. 41.

Surviving are his widow, Selma, three sons, John H. Davis of Kenosha, Fred M. and Jerry S. Davis of Lake Villa; three daughters, Marie Roulet, Maryland, Tenn.; Mrs. Sarah Davis, Knoxville, Tenn.; Mrs. Dolores Brausch, Evanston; a half-brother, William Carroll and a half-sister, Mrs. Margaret Hurst, both of Walland, Tenn.; and nine grandchildren.

The funeral service was held at 3 p. m. Wednesday at the Strang Funeral home, the Rev. L. H. Messersmith officiating. Burial was in Millburn cemetery.

To Hold Forget-Me-Not Day

Anthony Chadwick, North Chicago, senior vice commander of the Lake County Chapter, Disabled American Veterans and Julio Espanosa, Waukegan, commander, were given permission by the board to conduct a Forget-Me-Not sale on Saturday, Sept. 27. The D.A.V. asked for two days, but were given only one, and that after it was guaranteed that the money would all be used for mental patients at Downey Hospital.

Village Clerk Clarence Shultis was voted a two-weeks' vacation and appointed Treasurer Martha Hunter to operate the village office in his absence. The vacation will start Sept. 24.

Mayor Murrill Cunningham complained of the dangerous operation of scooters in Antioch by a few drivers, but the board took no action awaiting legislation by the state.

ON THE BIBLE SIDE

EMANUEL THIELE

If we do good and live moral lives I don't see why God would not accept us.

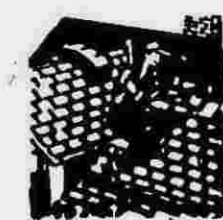

"There is a way that seemeth right unto man but the end thereof are the ways of death."

—Prov. 14:12

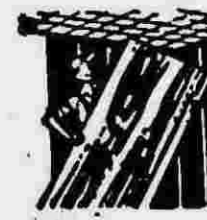

"For they being ignorant of God's righteousness, and going about to establish their own righteousness, have not submitted themselves unto the righteousness of God."—Rom. 10:3.

"For by grace are ye saved through faith: and that not of yourselves: it is the gift of God: Not of works, lest any man should boast."

—Eph. 2:8, 9.

CAREFUL DEAR.

The patent office has just registered a new electronic safety device for automobiles. A warning sound blasts out through the car radio when you get too close to another object. This ought to go well with women drivers if the warning signal could be a duplicate of their husband's ravings.

We'll probably install this gadget at JOE & DON'S TEXACO SERVICE when it's marketed as we do so many other accessories. Drive in at 970 MAIN ST. for auto services that are guaranteed and for the finest auto products.

Lake Bluff Boy Wins Coffin at Horror Show

"Butch" Lemont of Lake Bluff was the winner of the coffin given away Saturday evening between shows at the Lakes Theatre at the close of a four-day run of the horror pictures, "The Revenge of Frankenstein" and "The Curse of the Demons." Shown, left to right, are Pamela Walsh taking part of the nurse; Young Lemont, a White Sox fan; and Frankenstein, a part played by Larry Kohl, in the publicity stunts, a sophomore at Grant High School. Theatre Manager Dick Meyers said the shows played to capacity crowds.

St. Ignatius School To Begin Sunday With Enrollment of Pupils

The regular academic year for St. Ignatius Church School will begin at 9:30 a. m. Sunday, with the enrollment of students. The teaching staff will remain the same, with the exception of Mrs. Elmer Hawkins who is retiring. Her position will be filled by Miss Sally Flood.

Under the new training program now in use by the parish, parents will be asked to take a greater amount of responsibility for the religious instruction of their children. Two major objectives will be stressed by the Rector and staff of the Church School during the coming term.

First: That the children be taught to say morning and evening prayers with regularity, to say Grace at every meal, observe the prayer book rules concerning fasting and abstinence, and the discipline of attendance at the services of the parish church every Sunday and prayer book Holy Day. Further, parents will be asked to instruct and teach their children, at the earliest possible time, the Creeds, the Lord's Prayer, and the Ten Commandments.

Second: It has been proven time and again, that a definite relationship exists between the activity and discipline of parents, and the future activity, stability, and discipline of their children in the Church. Law, undisciplined, and indifferent parents raise the same type of Churchmen. More youth is lost to the church each year due to this single factor, than all other causes combined. Therefore, parents are strongly urged by the Rector to attend the services of the parish church with their children, to express a togetherness and unity of the family in the life and worship of the Church. Only in this manner can solid, disciplined, and moral Churchmen be built.

Although the work of the Church School was somewhat hampered last year by the epidemics of flu and measles, the school is making preparations for one of its biggest years.

Card of Thanks

We wish to thank all of our friends, relatives, neighbors and pall bearers, for their many acts of kindness, expressions of sympathy and condolence and for the beautiful floral offerings. We also wish to extend our sincere thanks to the Antioch Rescue squad for their assistance in the loss of our dearly beloved husband and father.

ECONOMY TV
TOPICS

(By Harold "Pete" Peterson)

TIPS FOR TV WATCHERS

According to a national medical report people are suffering from blood clots in leg veins and arteries induced by prolonged sitting while watching TV. A Philadelphia physician's prescription to prevent trouble is to take a few minutes off between programs and walk around the house for renewed circulation. To women he suggests the removal of girdles and corsets to prevent further constriction.

We might add at ECONOMY TV on Rte. 173, 1 mile west of Antioch that if the will to follow this advice is weak, we can force you to rise up by an inexpensive little electronic that shuts off your set automatically each hour. You'll have to get on your feet to turn your set back on again. Phone Antioch 1454 next time for this gimmick in connection with TV service.

"Wasn't it wonderful
of my family to give me
a phone of my own?"

Lucky teenager! And lucky family! Everyone finds more downright pleasure—a wonderful new ease of living—when there are phones just where they're needed!

They provide greater convenience—calls can be taken in private to avoid interrupting family activities. Save you lots of time and countless steps every day—help you get more things done in the big job of running a home and raising a family. And, of course, a nearby phone brings extra comfort and protection, day and night.

The cost is low... for example, you can have three extension phones, if you need them, for only about 10 cents a day! Your choice, too, of nine handsome colors that will add a distinctive touch to any room. There is a one-time-only charge for phones in color.

Where would you like your phones? Your Service Representative at the telephone business office will be glad to help you choose the proper locations and colors to suit the needs of your family. Call her today about your extension phones. The number is shown on page 1 of your telephone directory.

Illinois Property Tax Increased 146 Pct. Between 1946, 1957

CHICAGO—Illinois property taxes have increased by an alarming \$611 million or 146 per cent between the years 1946 and 1957.

Dollarwise, property taxes rose from \$147 million to an estimated \$1,028 billion during the 11-year period, according to figures revealed by the Illinois State Chamber of Commerce in a study of local finances. Moreover, increases in the last two years alone (\$71 million in 1956 and \$111 million in 1957) account for almost one-third of the total increase for the 11 years.

The study further reveals that in the 1946-1957 span, assessments went up by 51 per cent, but property taxes increased 147 per cent. Inflation, the expansion of services, and needs for more services for a growing population contributed to the soaring property tax bills, the Illinois Chamber of Commerce points out.

Chamber President David L. Harrington said: "The study contains facts which are particularly useful right now while some local taxing bodies are preparing their budgets and making the appropriations that will determine the size of next year's tax bills. Taking an active interest in your community's budget preparations is the only effective assurance that taxes will be adequate, but not excessive, for essential local service."

Property Tax Main Revenue
Property taxes are levied, the study explains, as major sources of revenue for cities, schools and other units of local government whose problems can best be solved locally.

Schools require the biggest share of property taxes. As the study reveals, schools received 45.2 per cent of all property taxes in 1946 and 55.1 per cent in 1957. Schools also account for the major part of the increase during the 1946-1957 period.

Included in the Chamber's detailed study are tax and assessment figures for all Illinois counties for the years 1946 and 1957. These figures clearly indicate that there were material increases in assessments in 1957, largely because of higher multipliers assigned by the State Department of Revenue.

More than 16,500 copies of the brochure, researched by the Chamber's State and Local Taxation Committee, were distributed among Illinois businessmen.

Village Clerk Hands Flag to Color Guard for Formal Raising

Village Clerk Neil Reidel acting in the place of Mayor Erwin Barnstable has received from Virginia Palmer at his right an American flag as a gift to the village from the children of the Central Baptist Children's Home and is now handing it to Edward Langbein of the V.F.W. color guard for formal raising during the flag presentation ceremonies at Lake Villa's Lehmann Park at 10:30 a.m. Labor Day. The participants, left to right are Charles Schrems, Langbein, Miss Palmer, Clerk Reidel, Barbara Zlotkowska of the home, and Cmdr. Elmer Kasting of the V.F.W. (Antioch Photo Service)
